

**Application No.10/ 768,119**

**REMARKS**

**Drawings**

It is noted that no Patent Drawing Review (Form PTO-948) was received with the outstanding Office Action. Thus, applicant must assume that the drawings are acceptable as filed.

**Amendments to Specification**

Applicant has amended the specification as noted above to cure obvious grammatical and inaccuracies. It is believed that the foregoing amendments to the specification overcome the outstanding objections thereto. No "new matter" has been added to the original disclosure by foregoing amendments to the specification.

**Amendments to the Claims**

The examiner has indicated that the application is in condition for allowance except for informalities as objected to the claim, for example: in claim 1 "breadth" and "containing effects" have been changed to "obverse" and "confining effects"; "the pair of locating members are integral" have been changed to "the locating members are integral with a

lower panel, a press panel and a block panel in structure" ; and "when movable cover is drawn out" has been changed to "when the movable cover is in drawn position" . By amendments, applicant has amended the claims as suggested by the examiner in order to overcome the objection.

Summary

In view of the forgoing amendments and remarks, applicant submits that this application is now in condition for allowance and such action is respectfully requested. If any points remain in issue, please advice by return fax or E-mail as the contact information listed below.

Respectfully submitted,
